## Presidents Corner:

Helloooooo Country lovers! So here we are almost half way through 2014. Where has all the time gone?

I do want to start off with a very special “Thank You” to Christine for all her time and energy she spent being President and for putting our Newsletter together. Not an easy job. We wish her well!

Our March St. Patrick’s Day Dance was fun, with many of you wearing Green. We are looking forward to our May Dance and hope everyone will come and support our dance. The more in attendance the more dances we can have.

Summer is just around the corner and that means the Ventura County Fair will be in August. On the first Saturday in August, our Club will enter a Float for the Opening Day Parade. There is much work to be done and the earlier we get started planning the better. We are looking for at least ten people to help decorate and/or sit on the float to represent Country Lovers Western Dance Club. We also need dancers to make our float even more special. So please sign up early with Mike Stark and if you are not sure what, or how you help the Club, talk to Mike and he can walk you through the process and things he needs done the most.

We also send a Dance Demo Team to the Fair each year. It’s a great opportunity to show others what a great Club we have. The Demo Team will be performing on the last Sunday of the Fair. Mike is already putting together the practice disc. Everyone on the Demo team gets a free ticket to enter the Fair on that day. It’s a lot of fun and a good opportunity for people to see the kind of dances we like to share at our Club Dances.

Keep checking out our website for new updates on future dances. See you on the dance floor... Becky
